The OSIC is not required to comply with the deadline specified in this section.

17. Notwithstanding any other provision in this Policy, Kawartha Nordic may, at its discretion, or upon request of the Independent Third-Party, act as the Complainant and initiate the complaint process under the terms of this Policy. In such cases, Kawartha Nordic will identify an individual to represent the organization.

18. A Complainant who fears retribution or reprisal or who otherwise considers that their identity must remain confidential may file a complaint with the Independent Third-Party and request that their identity be kept confidential. If the Independent Third-Party considers that the Complainant's identity must remain confidential, the Independent Third-Party may ask that Kawartha Nordic take carriage of the complaint and act as the Complainant.³

19. Complaints or incident reports should be made in writing for the discipline and complaints procedure to be initiated. The Complainant may contact the Independent Third-Party for direction regarding the formal submission of a complaint.

Independent Third-Party Responsibilities

20. Upon receipt of a complaint from a Complainant or Complainants or from the OSIC, the Independent Third-Party has a responsibility to:

- a) Determine the appropriate jurisdiction to manage the complaint and consider the following:

² This timeline may be waived at the Independent Third Party's sole discretion if they consider that there were extenuating circumstances that prevented the Individual from Reporting their complaint within 30 days of the occurrence of the incident. Any such decision by the Independent Third Party is not subject to appeal.

³ In such circumstances, the Complainant(s) may be required to provide evidence during the disciplinary process.

- i. Whether the complaint involves UCCMS Participants and should therefore be handled by the OSIC, in accordance with 13-15 above

In such circumstances, if the Internal Discipline Chair or External Discipline Panel decides that Nordiq Canada acted reasonably in taking jurisdiction over the matter, Nordiq Canada's costs to conduct the proceedings, including legal fees, shall be reimbursed by Kawartha Nordic to Nordiq Canada.

- b) Determine whether the complaint is frivolous and/or outside of the jurisdiction of this Policy and, if so, the complaint will be dismissed immediately and the Independent Third-Party's decision to dismiss the complaint may not be appealed;
- c) Propose the use of alternative dispute resolution techniques;
- d) Determine if the alleged incident should be investigated pursuant to **Appendix A – Investigation Procedure**; and/or
- e) Choose which process (Process #1 or Process #2, as outlined below) should be followed to hear and adjudicate the complaint.

There are two different processes that may be used to hear and adjudicate complaints. The Independent Third-Party will decide which process should be followed based on the nature of the complaint.

If the Independent Third-Party receives a complaint that occurred within the business, activities or Events of Kawartha Nordic and determines that it falls under Process #2, the Independent Third-Party will refer the matter to be handled by Kawartha Nordic's Division Member under the process detailed at in the Division Member's *Discipline and Complaints Policy* for matters that fall under Process #2.⁴
